- Tell us about a bad make up experience?
- Tell us about a good make up experience?
- How is the lighting in your bathroom? Dressing room? Bedroom?
- What do think of when you see someone with bad make up?
- Have you applied make up by a window? On the floor? Or anywhere else to get better lighting?
- Have you ever use a small round make up mirrors? With light or without? How did that work for you? Did it solve the problem?
- Tell us about your experience with Backstage Beauty Lights?
- Do you like the portability? Have you used them in different areas of your house? Would you travel with them?
- Were they easy to use? Did they secure firmly on your mirror? How easy were they to take off?
- Did your make up improve after using Backstage Beauty Lights? Did anyone notice? Do you feel more confident?
- Would you recommend BBL to friends and family?
- Did you like the design of BBL? (Do you like the way it looks? Would you leave the lights up in your bathroom?)
- Was BBL the solution to your bathroom lighting problems?
